Mr James Hill
408 First St.
Lakeland Fla.

Dear James:

I have put off writing you until now as we have been quite a while getting the baseball straightened out for the coming season. As things stand now we are all set.

I am enclosing you a money order for the amount you asked me for, also your ticket to Newark. Please be here by this coming Saturday, April 10th, as we are leaving for training camp early Monday Morning. We are going to train in Trenton N. Jersey. I hope you have gotten in partial condition in Lakeland.

I will be looking for you by Saturday at the latest, sooner if you want to come.

I hope everyone is well. Give Mary my love.

Very Truly Yours
